# The brave men and women of law enforcement, who protect us every day, are being put in danger by their uppermost management and politicians.
# They stand up for us everyday. Now they have been forced to leave their post, quit their jobs, and possibly relocate,

just so they can stay alive and continue to serve and protect us!

We would like to help them survive, it is "Our Turn to Protect Them."

We have started a Fundly account,

We are raising money to help the brave men and women of law enforcement who protect us daily find new positions, new employment, relocate, negotiate with...
http://fundly.com/riot2relocate

so we can raise money to help our law enforcement survive "Doing the Right Thing for US".

Many officers will be out of work, or forced to relocate, where they are needed,necessary and welcomed. Others will have to "shelter in place" and fight within the legal system.

Any all funds raised will be used for the stated purpose. "To Protect Them so they can Protect Us."
